

Buses serving Wiltshire College's Lackham site from

Swindon and Northern Wiltshire

including Chippenham, Calne and Marlborough

September – December 2016

This leaflet contains details of the network of special bus services being provided from Swindon and Northern Wiltshire, for students attending Wiltshire College's Lackham site during the 2016/17 academic year. Please check them carefully as the bus routes may have changed this year.

These services have been designed to provide connections with a number of other bus routes to allow daily access to the college from as much of Wiltshire as possible. Indeed there are so many connections available that we do not have space in this leaflet to show them all, so if we haven't included details of buses from your home town or village, please ring Wiltshire Council's education transport hotline on 01225 713365 for details of the best route for you to use.

These services are available to all passengers and normal fares will be charged to any student unable to produce a valid Wiltshire Council bus pass. These passes are available to most full time Lackham students upon payment of an annual charge of £650 and allow the holder to make one journey to/from the college on days when the college is open. To apply for your bus pass, please pick up a form from the student services office at Lackham.

If you have any comments about these services, please contact the Wiltshire Education Transport Hotline. Please note that all of these routes may be subject to alteration during the academic year.

**All the buses shown in this leaflet will pick up and set down at any bus stop along the route.
Please signal clearly to the driver as the bus approaches (by putting your arm out)**

Please note that students wearing muddy shoes, boots or clothing will NOT be allowed to travel on these buses

If your bus is fitted with seat-belts, you must wear the belt throughout the journey - it's the law!
