Mandatory Sport & Fitness Work Experience

Work Experience is a mandatory part of your course. It is strongly suggested that this work experience should coincide with the sport & fitness industry; as this would directly help with completing assignments on the course. The mandatory requirements are as follows:

- Level 1 – 35hrs

In order to ensure that we complete this part of your course, please come to enrolment with preferred and suitable work experience for the sports industry. The work experience can be taken in a block over a week or at regular times throughout the year such as evenings or weekends.

If you are struggling with finding suitable work experience, please speak to the career's advisor/your tutor.

Financial Support

We understand that we are in a financially challenging time, and the costs of attending college can put pressure on a lot of families. Bursary funding is designed to help students overcome the financial barriers to attend and participate on their chosen course. Information about the criteria for applying bursary funds can be found on our website – [Bursaries - Wiltshire College & University Centre](#).

Bursary payments for anything other than meals and bus passes will be paid after 6 weeks of continued attendance, therefore please be mindful of this if you choose to purchase items yourself then.
